Notes:

Totals by island include first and second port of entry arrivals. Total arrivals for the U.S.V.I. include first territorial port of entry only; passengers visiting more than one U.S. Virgin Island during the same cruise are only counted once in the U.S.V.I. total. Consequently, the U.S.V.I. total will always be less than or equal to the sum of the two island totals as indicated. Data subject to revision.
